Phone: 4032888300

Overall, I am/we are:

Neither in support nor in opposition of this application

Areas of interest/concern:

Land Uses, Density

General comments or concerns:

The Bowness Community Association Planning and Development Committee has reviewed this application. Although the majority of the members did not have concerns, it is worth noting that one of our members would not support this application since it encourages spot zoning. As a committee, we want everyone's opinion heard and considered. Thank you for the opportunity to respond.
