## Community Outreach for Planning & Development Applicant-led Outreach Summary

### What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

So far we have received messages from 2 community members: 1 in support, and 1 requesting further information.

At the open meeting, many concerns were raised, mainly concerning density.

The community association has not shared a stance with us at this point. The Councillor office said they generally share the stance of the community association.

### How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

At this point we have not received any input that has lead to a change in decision making for this project.

### How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

Each person that has reached out to us has received a tailored response.
