My name is Robert Carpenter, Owner of Seven Day Permtis and the applicant of this LOC. I am attending this meeting remotely and am available for any questions that may come up. This application is for a Land-Use Amendment, changing this property to R-CG for the purposes of developing 2 semi-detached dwellings with suites. The application was brought to CPC and approved. On August 3rd, letters were distributed to Neighbors, the Community Association and Ward Councilor. A copy of this letter is included in the original application explaining the scope of what we are proposing, we received no feedback. We feel given the similar developments in this area our development will fit into the new development of this area and community. Thank-you for your time and consideration of this matter.
