Community Outreach for Planning & Development
Applicant-led Outreach Summary

What did you hear?
Provide a summary of main issues and ideas that were raised by participants in your outreach.

Only one community member was opposed to the development because according to her it would "cause an upheaval in the otherwise calm community".

How did input influence decisions?
Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

The claim made above does not have any basis as very nearby there are other multi family developments within the same community which have had no negative impacts on any of the neighbors.

How did you close the loop ?
Provide a summary of how you shared outreach outcomes and final project decisions with those who participated in your outreach. (Please include any reports or supplementary materials as attachments)

The home owner shared plans of the proposed development (attached as a reference) and explained how it would benefit the growing population on our City by providing more housing options in a highly desired neighborhood.
