Located in the popular community of Killarney/Glengarry, this parcel is an ideal location for a multi family development. The community is currently welcoming many developments of a similar nature, in fact, at the end of this very block there is a brand new multi-family development very similar to what is being proposed.

The RCG district allows for a range of multi-family housing orientations and given the current housing shortage in the City, this proposal is an ideal development to tackle this issue.

Located just a few minutes walk away from Killarney Public School and the All Boys Program of the CBE as well as many other popular amenities liked parks and playgrounds, this community is highly sought after. Introducing more multi-family developments of this nature will enhance the vibrance of the community and welcome many more guests.
