**RECOMMENDATION OF THE CALGARY PLANNING COMMISSION, 2023 NOVEMBER 2:**

That Council give three readings to **Proposed Bylaw 6D2024** for the redesignation of 0.06 hectares  $\pm$  (0.14 acres  $\pm$ ) located at 3436 Richmond Road SW (Plan 732GN, Block 1, Lot 9) from Direct Control (DC) District to Housing – Grade Oriented (H-GO) District.

**HIGHLIGHTS**

- This application seeks to redesignate the subject site to allow for grade-oriented development in a range of housing forms at a scale consistent with low density residential districts.
- The proposal represents an appropriate density increase of a residential site, allows for development that may be compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan* (MDP) and the *Westbrook Communities Local Area Plan* (LAP).
- What does it mean to Calgarians? The proposed Housing – Grade Oriented (H-GO) District would allow for greater housing choice within the community and more efficient use of existing infrastructure and nearby amenities.
- Why does it matter? The proposed H-GO District would allow for more housing options that may better accommodate the evolving needs of different age groups, lifestyles and demographics.
- A development permit has not been submitted at this time.
- There is no previous Council direction related to this proposal.

**ENGAGEMENT AND COMMUNICATION**

- Outreach was undertaken by the Applicant
- Public/interested parties were informed by Administration

**Applicant-Led Outreach**

As part of the review of the proposed land use amendment application, the applicant was encouraged to use the [Applicant Outreach Toolkit](#) to assess which level of outreach with the public/interested parties and respective community association was appropriate. In response, the applicant delivered 60 letters to the closest neighbours, informing them of the details of the application, with email contact details for queries and responses from the applicant. The applicant had also reached out to the Killarney-Glengarry Community Association and the Ward 8 Councillor's Office. The Applicant Outreach Summary can be found in Attachment 3.

**City-Led Outreach**

In keeping with Administration's practices, this application was circulated to the public/interested parties, notice posted on-site and published [online](#). Notification letters were also sent to adjacent landowners.

Administration received one letter of opposition from the public. The letter expressed concerns over increased traffic and parking issues, reduced sunlight and privacy for neighbouring lots, and the form being a poor fit for increased density, with development leading to overcrowding in the community.

No comments from the Killarney-Glengarry Community Association were received. Administration contacted the Community Association to follow up and no response was received.

Administration considered the relevant planning issues specific to the application and has determined the proposal to be appropriate and in alignment with existing policies. Concerns related to overlooking, building and site design, impact on the street and waste and recycling and on-site parking will be reviewed and determined at the development permit application.

Following application. Following Calgary Planning Commission, notifications for a Public Hearing of Council will be posted on-site and mailed to adjacent landowners. In addition, Commission's recommendation and the date of the Public Hearing will be advertised.
