Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission

Project name: Value Truck Sales Land Use Redesignation

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

The subject site is adjacent to the Stoney Trail TUC to the west, a parcel owned by the same company to the north and the municipal border with Rocky View County to the east. The parcel directly south of the subject site is mostly vacant with the exception of a communications tower, and some temporary sea cans and a shed. The limited activity on this site, suggested that outreach was not necessary at this time. Properties in this area are predominantly industrial. The proposed land use change will not differ significantly from the industrial conditions of the area.
