# Community Outreach for Planning & Development Applicant-led Outreach Summary

#### What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

We have not heard back from the community association yet. Councillor Pootman's office responded on October 22, 2023 but raised no concerns. We received 2 letters in response to the postcard drop: one in opposition and one general inquiry. The concerns raised were:

- Parking
- Built form
- Design

#### How did input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

At this point there hasn't been an issue raised that has caused us to consider a change in our application.

#### How did you close the loop?

Provide a summary of how you shared outreach outcomes and final project decisions with those who participated in your outreach. (Please include any reports or supplementary materials as attachments)

Each person or group who sent us a message received a tailor response, and the conversation remained open so long as the person in question wanted to continue.
