Subject: Street Name Application (LOC2017-0382)
4515, 4811 & 4907 84 Avenue NE, 4704, 4820, 4924 & 5020 80 Avenue NE

Dear Michael Ahearn,

On behalf of the owners of the subject properties, I am submitting *Saddlehorse* as a street name for the subject lands which are located in the community Saddle Ridge. We believe this street name is appropriate for this new neighbourhood.

The American Saddle Horse, also referred to as the American Saddlebred Horse, is a breed of riding horse. The breed is popular in Alberta as reflected by the establishment of the American Saddlebred Horse Association of Alberta. *Saddlehorse* will thus honor Alberta's horse breeding and riding culture. The *Saddle* portion of the name pays homage to the community and reinforces that the subject neighbourhood is in the community of *Saddle Ridge*. The proposed street name, *Saddlehorse*, in our view complies with the *Municipal Naming, Sponsorship and Naming Rights Policy* as well.

We look forward to the City's response to *Saddlehorse* as the proposed street name for the subject site. Should you have any questions please do not hesitate to contact me.

Sincerely,

PATRICK WETTER

Subject: Street Name Application (LOC2017-0382)
4811 & 4907 84 Avenue NE, 4704, 4820, 4924 & 5020 80 Avenue NE

On behalf of the owners of the subject properties, I am submitting *Saddleacre*, *Saddlehaven* and *Saddleranch* as street names for the subject lands located in the Saddle Ridge community. We believe these street names are appropriate for this new neighbourhood:

- **Saddleacre:** An acre is a field of arable or pasture land. It was also previously used as a form of property measurement before the metric system was introduced to Canada. Acre can give honour to the former homesteaders, farmers and acreage owners that have existed in Saddle Ridge for many decades.
- **Saddlehaven:** A haven is a place of safety or refuge which all residents aspire for in their home.
- **Saddleranch:** A ranch is pastureland where animals are grazed, bred and raised. This can honour the former homesteaders, farmers and acreage owners who have raised farm animals in the past.

The Saddle portion of the name pays homage to the community and reinforces that the subject neighbourhood is in the community of Saddle Ridge. The proposed street names *Saddleacre*, *Saddlehaven* and *Saddleranch* in our view complies with the Municipal Naming, Sponsorship

and Naming Rights Policy as well. In addition, these names were proposed to us by the Saddle Ridge Community Association as per the attached.

We look forward to the City's response to *Saddleacre*, *Saddlehaven* and *Saddleranch* as proposed street names for the subject site. Please note that an application was previously submitted for *Saddlehorse*. Should you have any questions, please do not hesitate to contact me.

Sincerely,
