To: Sue Gray, Director
City Clerk's Office (8007)

From: Katie Black – Director, Community & Neighbourhood Services

Re: **Presentation at Council**

The Advisory Committee on Accessibility (ACA) requests that the Mayor make three (3) award presentations at the 2015 December 7 Council Meeting.

The awards will be presented to members of the public who have made contributions in accessible transportation, advocacy and access design for people with disabilities.

The Advisory Committee on Accessibility presents these awards annually and historically, the awards have been presented at the Council meeting closest to December 3, the International Day of Persons with Disabilities. ACA is requesting that this request be put on the agenda of the PFC for consideration of adding this item to the 2015 December 7 Combined Public Hearing Council Meeting.

Please contact Leanne Squair if you require any additional information.
