The Members of the Audit Committee and City Council of
The City of Calgary

Dear Members:

We have been engaged to audit the consolidated financial statements of The City of Calgary ("The City") for the year ended December 31, 2014.

Canadian generally accepted auditing standards ("GAAS") require that we communicate in writing with you regarding our compliance with relevant ethical requirements regarding independence as well as all relationships and other matters between The City and Deloitte that, in our professional judgment, may reasonably be thought to bear on our independence. We are also required to communicate the related safeguards that have been applied to eliminate identified threats to independence or reduce them to an acceptable level.

In determining which relationships to report, these standards require us to consider relevant rules and related interpretations prescribed by the appropriate provincial institute / ordre and applicable legislation, covering such matters as:

- (a) holding a financial interest, either directly or indirectly, in a client;
- (b) holding a position, either directly or indirectly, that gives the right or responsibility to exert significant influence over the financial or accounting policies of a client;
- (c) personal or business relationships of immediate family, close relatives, partners or retired partners, either directly or indirectly, with a client;
- (d) economic dependence on a client; and
- (e) provision of services in addition to the audit engagement.

We confirm to you that the engagement team and others in the firm as appropriate, the firm and, when applicable, network firms have complied with relevant ethical requirements regarding independence.

We have prepared the following comments to facilitate our discussion with you regarding independence matters arising since April 28, 2014, the date of our last letter.

We are not aware of any relationships between The City and Deloitte, including any network firms that, in our professional judgment, may reasonably be thought to bear on independence, that have occurred from April 28, 2014 to April 27, 2015.

As summarized in the attached exhibit, the total fees charged to The City for audit services were \$1,149,161 (2013 - \$1,178,222), audit related services were \$386,513 (2013 - \$285,626), non-audit related services were \$26,250 (2013 - \$94,200) and other services were \$604,276 (2013 - \$276,041) during the period covered by the financial statements. We re-affirm that the performance of these services has not affected our independence as auditors of The City.

Canadian GAAS require that we confirm our independence to those charged with governance in the context of the Rules of Professional Conduct of the Institute of Chartered Accountants of Alberta. Accordingly, we hereby confirm that we are independent with respect to the Company within the meaning of the Rules of Professional Conduct of the Institute of Chartered Accountants of Alberta as of April 27, 2015.

This report is intended solely for the use of the Audit Committee, City Council of The City of Calgary, Administration and others within The City and should not be used for any other purposes.

Yours truly,
