

Calgary Bingo Association Membership

Eligibility for membership is determined by the AGLC, who then issues a two-year license to conduct gaming events within the bingo facility venue. The conditions for eligibility are based on the nature of the organization or club and whether its activities and purposes align with the AGLC's interpretation of 'charitable or religious'. Licence holders must maintain an 'active' status with corporate registry as incorporated non-profits and have delivered a 'charitable or religious' program in Alberta for a minimum of 12 months.

Membership lists provided by the Associations indicate 97 non-profit organizations and clubs hold Bingo Association memberships in Calgary.

Bingo Barn's 33rd Street NE Community Bingo Association

Bingo Barn is operated by the 33rd Street N.E. Community Bingo Association. There are currently 47 active members licensed to hold bingo events at this facility.
