Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission

Project name:

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

This proposal is to amend the current DC to a new DC in order to provide more flexibility for uses allowed on the ground floor of existing buildings. Due to the current tenant mix and ongoing market conditions experienced at this location (Admiral Court), the owner requires a zoning to be less restrictive on the ground floor uses. Especially for the use of Medical Clinic/Health Care Services, where several bays have already been approved under a Development Permit relaxation for the ground floor.

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

No neighbours have been reached; the proposed change is minor in nature.
