The current bylaw amendment before Council to allow full time RV parking on residential/private property, for four months from May 15th to Sept.15th, should NOT be ALLOWED or passed. By doing so, it sends the message to those that are already abusing the system, to continue abusing and ignoring the proposed Bylaw changes currently under consideration. Also, by passing the proposed changes will allow many streets in the city and my neighbourhood to look like campgrounds and RV storage lots. There are many sites in and around Calgary available for RV storage that provide safe and secure facilities year round.
