Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: 6427 33 Avenue NW Land Use Redesignation

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

No outreach strategy took place for the Land Use Redesignation application as the land use redesignation from R-C1 to R-C2 is not a significant increase in density and the owner thought that many on the block are leased homes rather than owner occupied. The owner did speak to the neighbour adjacent to 6427 33 AV NW and no concerns were raised. The other adjacent home was up for sale and has recently been sold.
