

Previous Council Direction On Reports Primarily Focussed On Flood Related Matters:

- 2013 July 02, Priorities and Finance Committee received *PFC2013-0578 Flood Status Update* which was the first written report regarding the 2013 Flood Event.
- 2013 September 03, Priorities and Finance Committee received *PFC2013-0618 2013 Mid Year Report on Business Plans and Budgets* which identified known flood-related budget impacts.
- 2013 September 03, Priorities and Finance Committee received *PFC2013-0634 2013 Capital and Operating Budget Revisions* with a flood expenditure update and master list of flood recovery projects.
- 2013 September 03, Priorities and Finance Committee received *PFC2013-0646 2013 Flood Recovery Task Force Update Report* with attached 2013 Flood Recovery Framework.
- 2013 November 25, Council received *C2013-0668 Proposed Adjustments to the 2014 Business Plans and Budgets* and directed Recommendation 2c. and all associated matters related thereto, be adopted, as follows:  
 That Council:  
 2. Approve the recommendations from the Interim and Permanent Financing and Funding Strategy (Attachment 1, pages 97-102), as follows:  
 c. Approve the Administration utilizing, as required, the Fiscal Stability Reserve to fund the residual tax supported flood-related capital projects funding shortfalls to a maximum of \$100 million (Attachment 1, page 100).
- 2013 November 25, Council received for information *C2013-0742 Flood Recovery Task Force: 2014 Business Plan and Budget Adjustments Companion Report* as a companion to *C2013-0668 Proposed Adjustments to the 2014 Business Plans and Budgets*. Council directed Administration to prepare a report containing a list and cost of the first grouping of resilience flood projects, to return to Council through the Priorities and Finance Committee no later than Q1 2014.  
  
 Further, at the same meeting on 2013 November 25, a Motion Arising was approved with respect to Report *C2013-0668 Proposed Adjustments to the 2014 Business Plans and Budgets* which was referred to Administration to return to the Priorities and Finance Committee no later than Q1 2014, once there are more details available on the Calgary Zoo project. Administration has completed this work and this information is contained in companion report *PFC2014-0279 Flood Mitigation Project for Calgary Zoo* (2014 April 01).
- 2013 December 16, *C2013-0836 City Manager's Office Report to Council Flood Recovery Task Force: Update Report* was received for information. It contained a six month update on the activities of the Flood Recovery Task Force. At this same meeting, Council received for information *C2013-0732 Expert Management Panel on River Flood Mitigation Quarterly Report*.
