2024 January 18

Item 10.1.2
GLB2024-0310
Attachment 1

Recommendation

That Audit Committee receive this presentation for information and the Corporate Record

Risk & Strategic Decision-Making

We make decisions and
take action in the face of
uncertainty

The City's Risk Environment

By monitoring and managing pressures and challenges that affect The City's risks, we are better able to avoid undesirable impacts and capitalize on opportunities. **!**

Internal Pressures

What is happening inside The City?

For example

- Governance and accountability
- Recruitment and retention

pressure

External Pressures

What is happening outside The City?

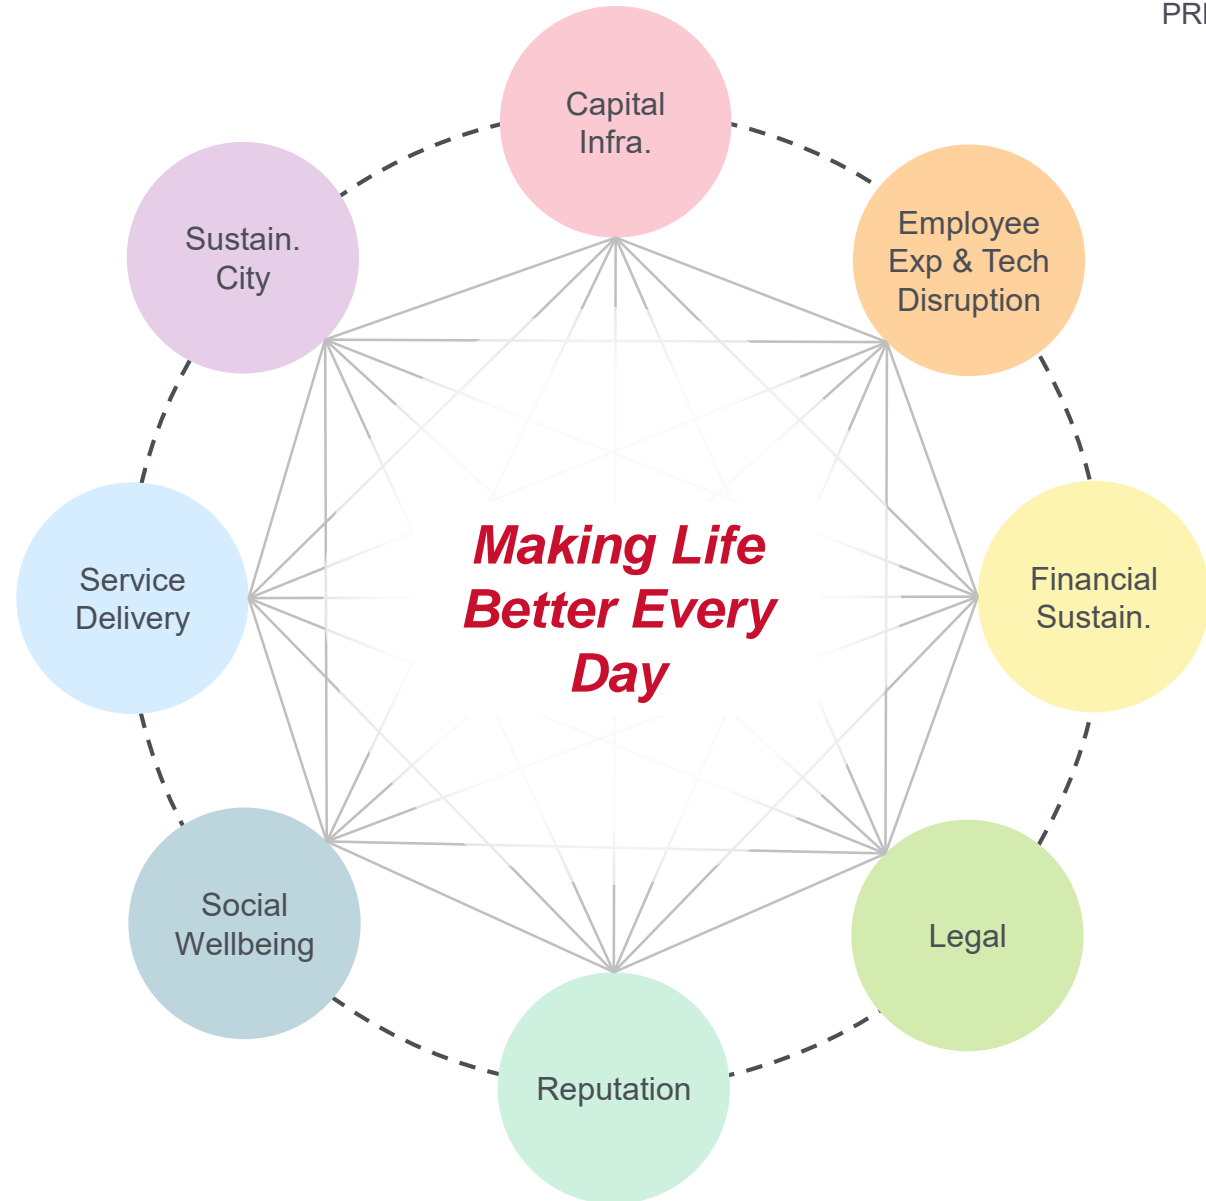

For example

- Economic conditions / inflation
- Climate change
- Geopolitical conflicts
- Changing public expectations

pressure
