Vehicle-for-Hire needs a service evolution

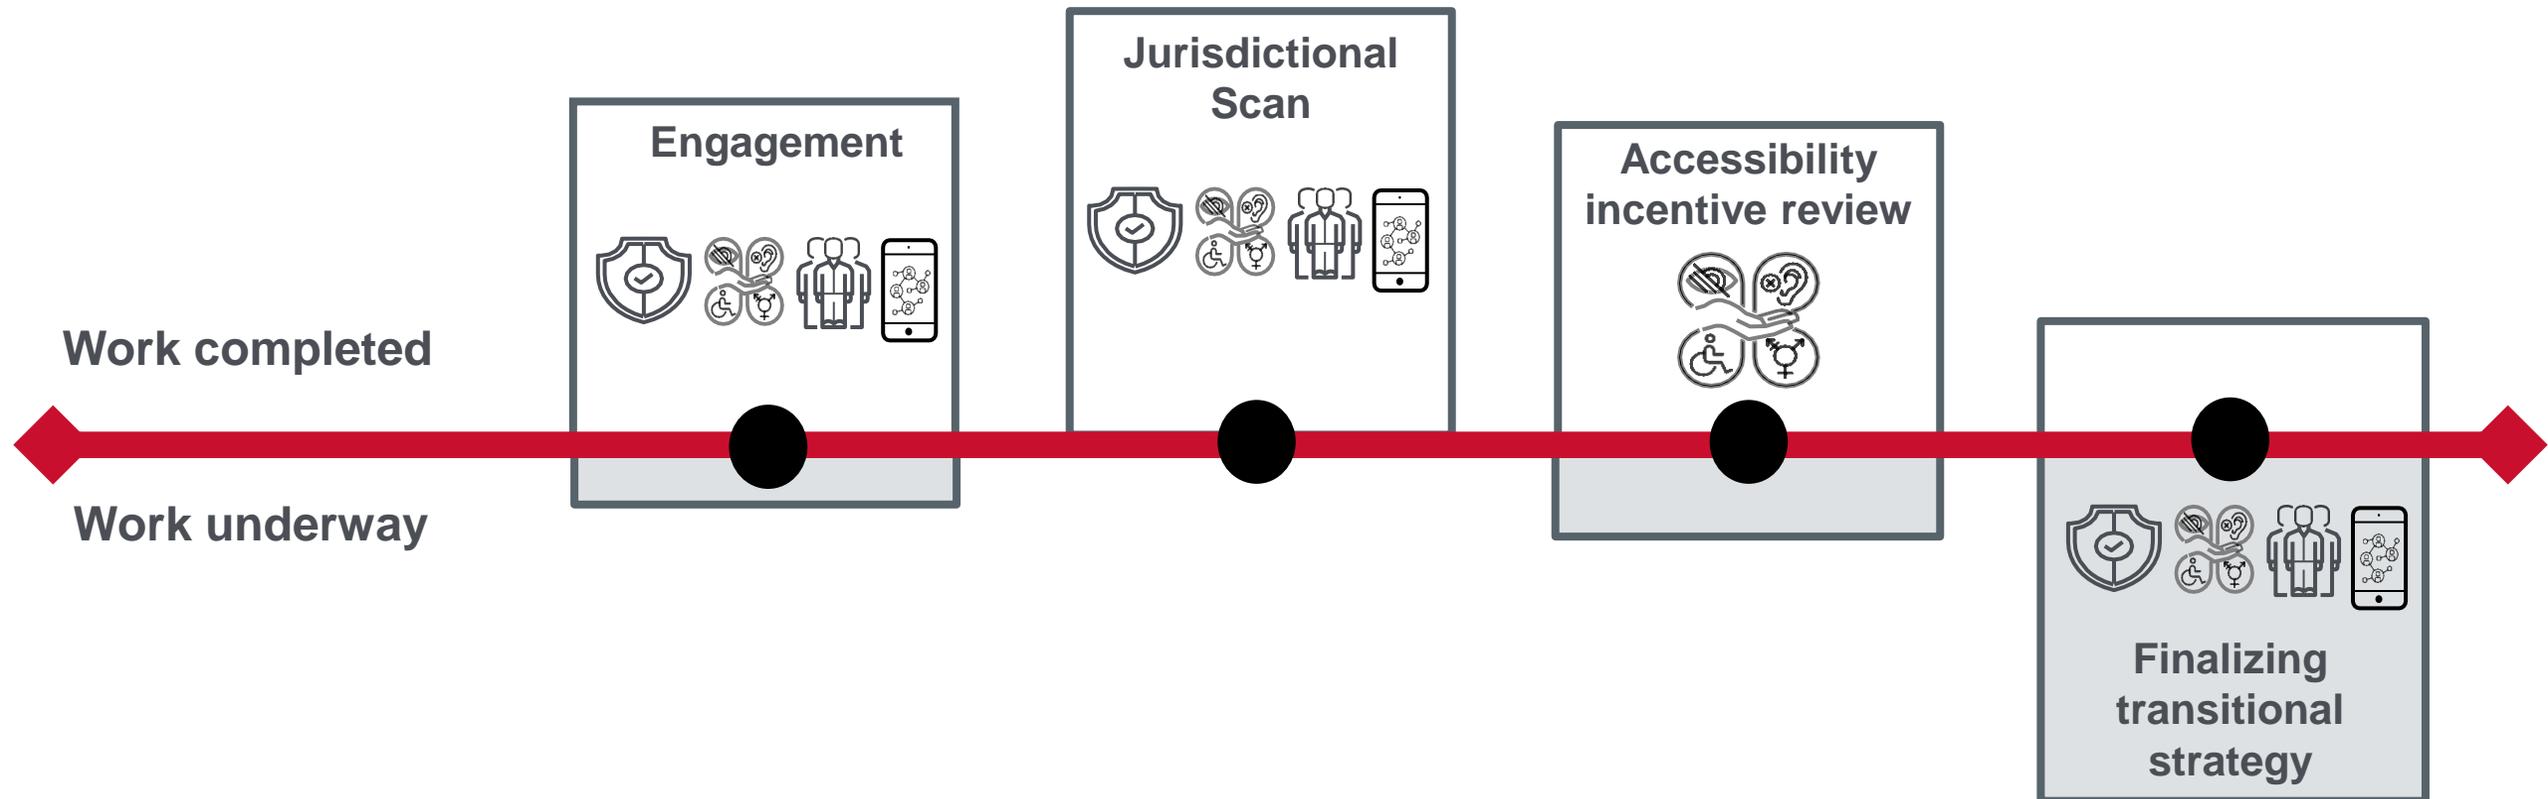

Framework for the transitional strategy

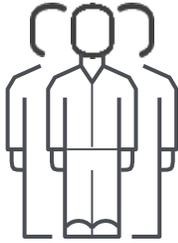

Progression of the Vehicle-for Hire Transitional Strategy

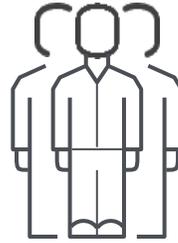

Previous Council Direction

Changes to plate system

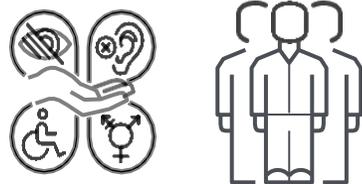

Renewal licence alignment

Continuous ongoing engagement

Strengthening accessibility

Centralized dispatch

Addressing gaps

Data informed decision making

A photograph of a city street scene. In the foreground, a yellow taxi is blurred as it moves from left to right. A red and white bollard with a chain is visible. In the background, there are modern glass skyscrapers and a pedestrian bridge with a glass railing. A traffic light on the right shows a white pedestrian symbol. The sky is clear and blue.

That the Community Development Committee recommend that Council direct Administration to report back to Community Development Committee with the Vehicle-for-Hire Transitional Strategy on 2024 May 22.
