STAKEHOLDER OUTREACH SUMMARY

CivicWorks and EC Living are committed to being good neighbours and working with citizens and community groups throughout the application process. The project team undertakes a meaningful and appropriately-scaled outreach process in support of all applications to ensure a clear and transparent process for all stakeholders. As part of our process, we contacted the local Ward 9 Councillor's Office, Forest Lawn Community Association, and surrounding residents at the outset of the application process to encourage them to share any comments, questions, or concerns. Additional elements of our outreach process also include:

Custom On-site Signage: *Installed on-site at application submission*

To supplement required City of Calgary notice signage, the project team deployed additional on-site signage that notified neighbours and surrounding community members of a proposed land use change (installed November 15, 2023). The signage outlined the proposed change and directed interested parties to get in touch with the project team directly via a dedicated email inbox and phone line.

Neighbour Postcards: *Delivered to ~200 surrounding area residents at application submission*

Paired with on-site signage, neighbour postcards were hand delivered to local area residential and adjacent property owners (delivered November 17, 2023) to outline the proposed change and ultimate development vision for the subject site and direct interested parties to get in touch with the project team directly via a dedicated phone line, email inbox, or project website. As part of our outreach process, all inquiries, questions, and comments are received, compiled, and responded to by the project team in a timely manner.

Proposed Land Use Change

1536 37 ST SE
R-CG to Housing - Grade Oriented (H-GO) District
City of Calgary Application Reference: LOC2023-0339

Hello Neighbour

We are proposing a land use change at 1536 37 ST SE from the existing Residential Contextual - Grade-Oriented (R-CG) District to the Housing - Grade-Oriented (H-GO) District. The proposed change will enable a three-storey courtyard-oriented stacked townhouse development with 5 townhouse units, 5 secondary suites, 5 parking stalls in a carport, and 5 secure bike / scooter / stroller storage units.

The City of Calgary's new H-GO District is specifically intended to introduce a wider range of ground-oriented housing options in amenity-rich inner city areas, specifically along higher order streets or close to Activity Centres, Main Streets and frequent transit service.
