Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: Change Of Zoning

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

The property is already zoned for multi family(RC2), we do not feel that proceeding with a fourplex will negatively impact the community or the neighbors.

There are already multiple fourplexes on corner-lots on the same street, in fact the 2 properties right across on the same intersection are zoned for RC-G.

The community will be positively impacted by the outcome of our project as it will provide for reasonably priced units to more people.
