

Land Use Amendment in Kingsland (Ward 11) at 813 – 67 Avenue SW, LOC2023-0333

RECOMMENDATION:

That Calgary Planning Commission recommend that Council:

Give three readings to the proposed bylaw for the redesignation of 0.06 hectares ± (0.14 acres ±) located at 813 – 67 Avenue SW (Plan 4910AK, Block 9, Lots 13 and 14) from Residential – Contextual One / Two Dwelling (R-C2) District to Housing – Grade Oriented (H-GO) District.

HIGHLIGHTS

- This application seeks to redesignate the subject parcel to Housing – Grade Oriented (H-GO) District to allow for grade-oriented development in a range of housing forms at a scale compatible with low density residential districts.
- The proposal represents an appropriate density increase of a residential site, allows for development that may be compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan* (MDP) and the *Heritage Communities Local Area Plan* (LAP).
- What does this mean to Calgarians? The proposed H-GO District would allow for additional housing to be developed on this site and make more efficient use of existing infrastructure and nearby amenities.
- Why does this matter? The proposed H-GO District would allow for more housing to be developed which may better accommodate the evolving needs of different age groups, lifestyles, and demographics.
- No development permit has been submitted at this time.
- There is no previous Council direction related to this proposal.

DISCUSSION

This land use amendment application in the southwest community of Kingsland was submitted by Horizon Land Surveys on behalf of the landowners, Kublir Singh Brar and Harmanpreet Singh Dhaliwal, on 2023 October 27. No development permit application has been submitted at this time; however, as noted in the Applicant Submission (Attachment 2), the applicant has indicated that the proposal would facilitate grade-oriented development in a range of housing forms.

The approximately 0.06 hectare (0.14 acre) parcel is located mid-block along 67 Avenue SW, west of 6 Street SW. The site is currently developed with a single detached dwelling and a rear detached garage with lane access. Development in the immediate vicinity is a mix of older single and semi-detached dwellings, as well as low rise apartment buildings.

A detailed planning evaluation of the application, including maps and site context, is provided in the Background and Planning Evaluation (Attachment 1).
