---

development permit has been submitted at this time, however, as noted in the Applicant Submission (Attachment 3) the intent is to construct a development consistent with the H-GO rules.

This 0.06 hectare (0.14 acre) site midblock site is located along 40 Street SE, approximately 350 metres (a six-minute walk) north of International Avenue/17 Avenue SE. The proposed policy amendment to the ARP would change the subject site on Map 2: Land Use Policy Areas from the typology of Low Density Residential/Conservation to Low Density Multi-Dwelling to allow for a stacked form.

A detailed planning evaluation of the application, including location maps and site context, is provided in the Background and Planning Evaluation (Attachment 1).
