**2011 ANNUAL INCREASE**

The rate of the annual increase (indexation) for 2011 is 1.4%. If you retired before 2010, you will receive the full rate. If you retired during 2010, you will receive a prorated portion of the rate based on the number of full calendar months remaining in the year. For example, if you retired in November 2010, your indexation amount would be 1/12 of the full increase, starting January 2011. This increase also applies to recipients of survivors' benefits. For more information on how the indexing is applied, please refer to the booklets entitled *Your Public Service Pension - Benefits for Retired Members*, or *Your Public Service Pension - Benefits for Survivors* available on our Web site at [www.pensionandbenefits.gc.ca](http://www.pensionandbenefits.gc.ca). After choosing the *Retired Member* or *Survivor/Dependant* audience, simply click on *Plan Information* and the booklets can be found under the *Publications* page.

**2012 ANNUAL INCREASE**

The rate of the annual increase (indexation) for 2012 is 2.8%. If you retired before 2011, you will receive the full rate. If you retired during 2011, you will receive a prorated portion of the rate based on the number of full calendar months remaining in the year. For example, if you retired in November 2011, your indexation amount would be 1/12 of the full increase, starting January 2012. This increase also applies to recipients of survivors' benefits. For more information on how the indexing is applied, please refer to the booklets entitled *Your Public Service Pension - Benefits for Retired Members*, or *Your Public Service Pension - Survivors' Benefits* available on our Web site at [www.pensionandbenefits.gc.ca](http://www.pensionandbenefits.gc.ca). **CHANGES FOR 2013**

- The rate of the annual increase (indexation) for 2013 is 1.9%. If you retired before 2012, you will receive the full rate. If you retired during 2012, you will receive a prorated portion of the rate based on the number of full calendar months remaining in the year. For more information visit [www.pensionandbenefits.gc.ca](http://www.pensionandbenefits.gc.ca).
- Separate payments will be issued to individuals in receipt of more than one survivor benefit.
- The Government of Canada has introduced a new pension system, which will bring changes to how information is displayed on some individuals' pension status.
- The new system uses an alternate Canada Revenue Agency approved formula for calculating

## SIMPLE CONCEPT

- When you increase the cost of housing:
- YOU make housing less affordable.

### OUTCOMES:

- YOU are driving seniors out of their homes.
- YOU are driving families out of the City.

## TAX INCREASES ABOVE CPI

For those of you who vote for tax increases  
above the CPI,

Please

No more crocodile tears about “affordable  
housing”

## WORLD CLASS CITY

- Calgary is the hub of an amazing place
- Of the prairies, of the badlands, of the foothills, of the mountains
- Of Drumheller, of Waterton, of Kananaskis, of Banff & beyond
- Of resources and jobs, good jobs
- Of space & place to raise a family  
& to grow old

## WORLD CLASS CITY

- Civic Camp – Green Party and their ideological soulmates on Council have a different vision
- Of an eco-utopia
- Of a dense Manhattanist concrete jungle

This vision is not a utopia, it is a mirage.

- It has no place for seniors or for families.

# TAX INCREASES ABOVE CPI

Those of YOU who intend to vote for tax increases above the CPI:

Do you really believe that  
driving seniors into poverty, and  
driving families out of the City  
are acceptable collateral damages to impose  
YOUR vision of a world class city?  
Because that is what YOU are doing.
