Risk Assessment

Failure to complete the work detailed in the LGTF 2014 – 2017 Work Plan exposes The City of Calgary to a number of risks: (1) failure to adhere to Council policies, (2) confusion and misalignment between Council policies and existing practice, (3) maintaining outdated Council policies which do not keep pace with leading practices in legislative governance, and (4) inadequate transparency and accountability. Such risks do not allow The City of Calgary to achieve its priority of becoming a well-run City.

REASON(S) FOR RECOMMENDATION(S):

The City Clerk's Office reports quarterly on the progress of the Legislative Governance Task Force 2014 – 2017 Work Plan, which is a dynamic document dependent on resources available, and requires approval of the timelines in order to deliver on legislative governance initiatives at The City of Calgary.
