Wastewater, Stormwater, Water Utility Bylaw Update Report

EC2024-0674

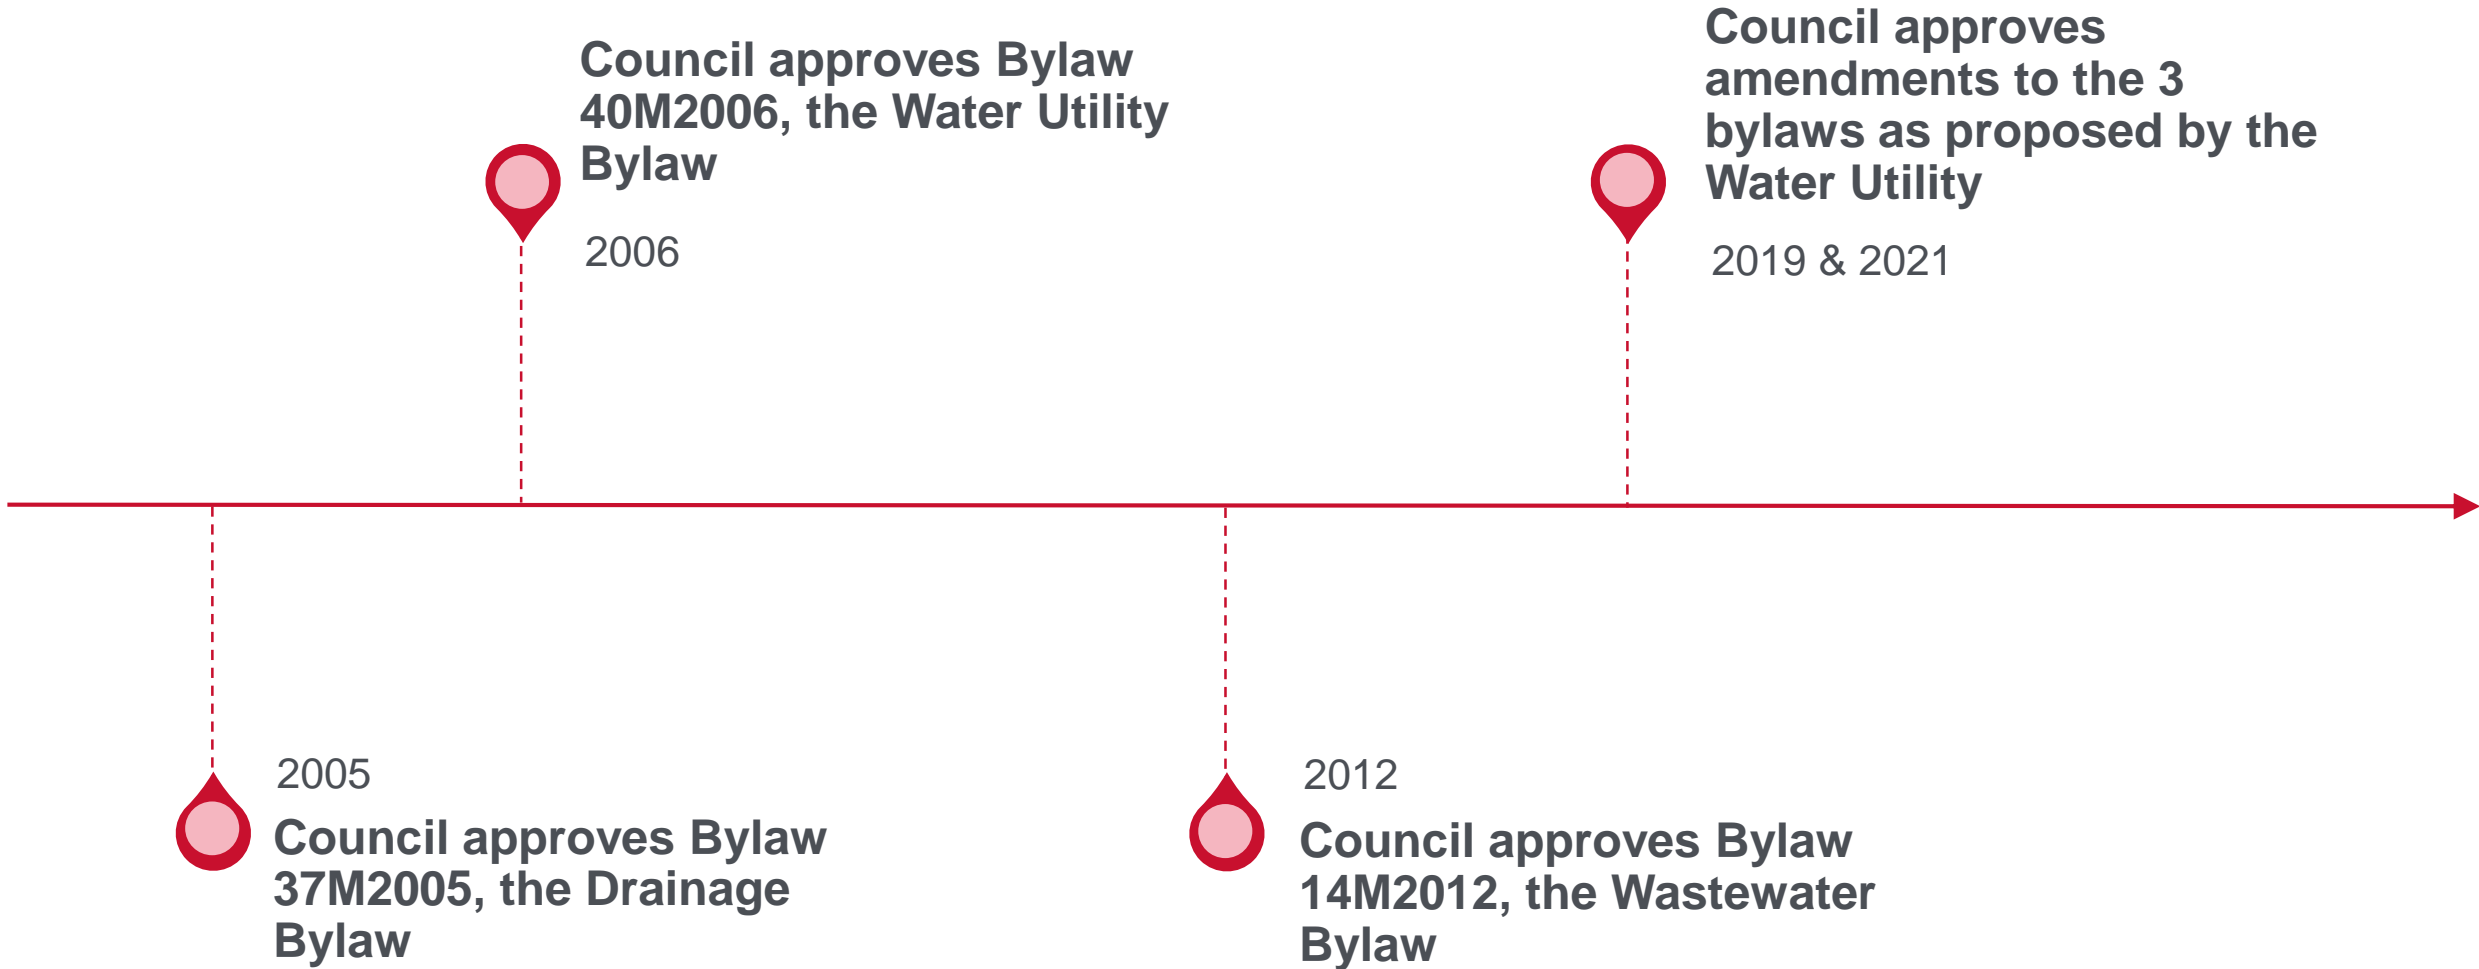

2024 June 11

That the Executive Committee recommend that Council:

1. Give three readings to the proposed bylaw to amend Bylaw 37M2005, Stormwater Bylaw
2. Give three readings to the proposed bylaw to amend Bylaw 14M2012, Wastewater Bylaw
3. Give three readings to the proposed bylaw to amend Bylaw 40M2006, Water Utility Bylaw

Background and Previous Council Direction

Objectives

1. **Clarify expectations** of citizens, customers and The City to strengthen collaboration, accountability, transparency and promote continuous improvement.
2. **Facilitate communication** with customers on specific bylaw requirements.
3. **Provide clarity and consistency** in plain language across all the Utility Bylaws.
4. **Improve response mechanisms** to promote compliance and help reduce risks to infrastructure, the environment and public health.

Highlights: Amendments

Water Utility Bylaw
