| <b>Commissioner Hawryluk</b> | <p>Reasons for Approval</p> <ul style="list-style-type: none"><li>• This is largely a housekeeping item. The Water Treatment Plant has been on this location since 1972. After the 2007 Land Use Bylaw, this lot's Land Use District should have been Special Purpose – City and Regional Infrastructure (S-CRI). The correct Land Use District was applied to the parcels that are farther west, but the Land Use District of Special Purpose – Transportation and Utility Corridor (S-TUC) was applied to this lot. This application will correct that error.</li></ul> |
