Overall, I am/we are:

In opposition of this application

Areas of interest/concern:

Density, Amount of Parking

What are the strengths and challenges of the proposed:

Will the proposed change affect the use and enjoyment of your property? If so, how?

The City views applications in the context of how well it fits within the broader community and alignment to Calgary's Municipal Development Plan (MDP). Do you see the proposed changes as compatible to the community and MDP? If not, what changes would make this application align with The City's goals?

How will the proposed impact the immediate surroundings?

General comments or concerns:

There's not enough parking for this situation; the square footage of the secondary suite is over the micro suite's square footage. We don't support parking relaxation.
