To whom it may concern: I received this notice "As the owner of an adjacent property". I am truly not sure what to make of this. The property I own is in Glendale. There is another notice I received for this land redesignation by my property. So what does this mean? Is this a clerical error? Or a form of intimidation that land is being redesignated in a different part of the City so there is a strengthen in numbers because off an unhoused crisis. Or do I have another property in my name I am not aware of?  
Not sure what to make of all this.  
Regards: Joe
