Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: LOC2024-0121

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

Outreach was not conducted as the change was deemed to be minor in nature and consultation would be included in the development permit process. This application is to make the existing site conform to the Calgary land-use bylaw density requirements and allow for the proposed Tim Horton's development on the site. It should be noted that the existing condition of the site has a greater built area than is allowed by its current zoning and has been for some time.
