TRANSMITTED BY EMAIL TO CITYCLERKS@CALGARY.CA

At a special meeting of the Chinatown District Business Revitalization Zone Board, approval was granted to seek an expansion of the Chinatown District Business Revitalization Zone (CDBRZ) boundary further to the east from 1st Street SE to include 2nd Street SE and continued to be bound on the north by Riverfront Avenue SE and to the south by 4th Ave SE. This boundary realignment would be coincidental with The City's Chinatown Community District Boundary.

This additional zone encompasses one (1) square block including the land and buildings (i.e. Harry Hays Building) owned by Larco Investment Ltd. and an assessable business premise on The City of Calgary's business assessment roll (i.e. a commercial parkade parking lot owned by Canadian Leaseback (GP) Inc.) operated by Imperial Parking.

Attached is the Special Meeting of the Chinatown District Business Revitalization Zone Board of Wednesday June 8th authorizing this request.

1) CDBRZ Board Expansion

The CDBRZ approves via email vote the proposal to request a CDBRZ Boundary Expansion further to the east from 1st St. SE to 2nd St. SE, bound to the north by Riverfront Avenue SE and to the south by 4th Avenue SE.

The rationale for the expansion is:

- to align the CDBRZ boundary with The City of Calgary's Chinatown Community District Boundary;
- to provide BRZ representation to the Harry Hays Building parkade operators; Imperial Parking (IMPARK)

In Favour: Danny Ng, Rod Olsen, Bruce Brownlee, Annette Fung, Kit Koon, Andrew Stewart, Terry Wong, Jeff Mah

Regrets: Jae Shim
