Dear Business Owner:

Re: Change to the Boundary of the Chinatown District Business Revitalization Zone

This letter is to advise all businesses located within the current and proposed boundaries of the Chinatown District Business Revitalization Zone (BRZ) that City Council will be reviewing the proposed amendment to the Chinatown District BRZ bylaw to expand the boundary of the BRZ. The Chinatown District Board of Directors has approved the proposed expansion; the final decision regarding the proposed expansion will be made by City Council.

This meeting of City Council is scheduled for:

Date: 2016 November 07
Time: 9:30 a.m.
Location: MUNICIPAL BUILDING, PLAZA LEVEL
Council Chamber

Interested business owners within the Chinatown District BRZ current and proposed boundaries have the opportunity to make a presentation to City Council should they wish. Written submissions (35 copies) may be brought to the meeting and will be distributed to the members at the discretion of Council. A period of five minutes is allotted to each speaker. Additional information on attending or presenting at a City Council meeting can be found online at:

The Chinatown District BRZ desires to expand its current borders to include one square block. This would expand the boundary further to the east along Fourth Avenue S.W. from First Street S.E. to Macleod Trail S.E. and includes one block from Fourth Avenue S.W. north to Riverfront Avenue S.E. Within this proposed expansion is the Harry Hays Building as well as a commercial parking lot. Please refer to the attached map for additional details.
