ITEM: 7.2.3D.CPC2024-1333  
Distrib-Photos  
CITY CLERK'S DEPARTMENT

**Before**

**After**

## In Summary:

- 1-3% change is *low*, for a *low impact* zone
- Lower taxes, more efficient services
- More freedom for homeowners
- One of *many* policy steps needed

It's ~~fine~~ *Horrorific!*

# The City Posterboard – A poster child for selective information

What the backyard looks like for older homes. With the City only ever showing the fronts of houses, perhaps the City thinks the front yard is where people spend their time?

**Space between houses.  
This will also be covered in  
a walkway and fencing. All  
four downspouts are  
coming down from the  
second story most likely  
towards my house.**
