**RECOMMENDATION OF THE CALGARY PLANNING COMMISSION, 2024
 FEBRUARY 22:**

That Council give three readings to **Proposed Bylaw 119D2024** for the redesignation of 0.06 hectares \pm (0.15 acres \pm) located at 3438 – 37 Street SW (Plan 732GN, Block 3, Lot 17) from Residential – Contextual One / Two Dwelling (R-C2) District to Housing – Grade Oriented (H-GO) District

HIGHLIGHTS

- This application seeks to redesignate the subject parcel to Housing – Grade Oriented (H-GO) District to allow for grade oriented development in a range of housing forms at a scale compatible with low density residential districts.
- The proposal represents an appropriate density increase of a residential site, allows for development that may be compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan* (MDP) and the *Westbrook Communities Local Area Plan* (LAP).
- What does this mean to Calgarians? The proposed H-GO District would allow for additional housing to be developed on this site and make more efficient use of existing infrastructure and nearby amenities.
- Why does this matter? The proposed H-GO District may allow for more housing options that may better accommodate the evolving needs of different age groups, lifestyles and demographics.
- A development permit has not been submitted at this time.
- There is no previous Council direction related to this proposal.
