Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: Alpine Park Phase 8 LUR

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

The proposed Land Use Amendment application remains consistent with the intended built forms and overall vision of the approved Alpine Park Stage 2 Outline Plan (LOC2020-0163). As the outcomes of the application are considered in general alignment with existing plans for the subject lands, we have chosen not to undertake additional public outreach for this application beyond the standard notice process conducted by Administration. Should any comments be received by Administration during the notification period, we (the applicant) are ready to support Administration in their responses, if necessary. Developers in the surrounding area will also be notified of this application as part of ongoing coordination of planning and development activities in the Providence ASP lands.
