Before undertaking the project, our office completed the "Community Outreach Assessment". The project's impact score is "1A". So we are implementing a direct approach to reach to community association, local residents within a 90 meters radius and also Ward Councilor Office.

On June 29th, 2023, our staff did post card deliver to residents within a 90 meters radius. During the process, our staff did door knocking and spoke with residents at home. The main concerns our office got are with regards to increased traffic, increased density, height, shadow effects, and safety. We believe those can be properly dealt with at the development permit stage.

On Aug. 23rd, 2023 we meet with CA planning committee in Windsor Park community center. A few proposals were presented including R-CGex to eliminate secondary suites. CA expressed that they would prefer semi-detached.

Discuss the project with ward councillor office in multi-occassions.
