<b>Commissioner Hawryluk</b>	<p>Reasons for Approval</p> <ul style="list-style-type: none"><li>Administration is correct that, "The subject site is appropriate for the proposed H-GO District as it is located within the Inner City and meets the locational criteria for proximity to: a Main Street (16 Avenue NW), an existing LRT platform (Lions Park Station) and BRT stop (Route 303 MAX Orange Brentwood/Saddletowne)" (Attachment 1, page 4).</li></ul> <p>I think this is within 200 metres of the primary transit network (16th Ave). If so, it would meet all four locational criteria for H-GO applications in areas that do not have an approved Local Area Plan. It only needs to meet one of those criteria to be designated for the H-GO District.</p>
