I would like to submit a comment about the proposed land use redesignation for 2111 15 ST SW, proposed to rezone from R-C2 to R-CG. I am opposed to this rezoning, as I believe it is unnecessary and not consistent with the street. The existing zoning allows for the current single family home to be replaced by two dwellings which would be consistent with the street for a lot in the middle of the block. There had been a previous development permit approved for a duplex, which fit with the neighbourhood. The existing zoning gives a significant amount of latitude to redevelop the property. Further rezoning beyond this seems unnecessary and out of place for a lot in the middle of a residential block surrounded by R-C2 zoning.
