Dear Fraser:

**Re: Riley Communities – Local Area Plan and Heritage Guidelines**

I am writing on behalf of Heritage Calgary in support of the Riley Communities Local Area Plan (LAP) and Heritage Guidelines. Heritage Calgary is a charitable Civic Partner of The City of Calgary focused on the research, education, and preservation of our shared heritage. We believe heritage is a dynamic process by which identity is experienced, interpreted, and represented and take pride in working with Calgarians to honour the fabric that we are all a part of.

This LAP recognizes the contribution of its heritage resources and embeds the protection and maintenance of these resources into its policies. The Heritage Guideline Areas defined in section 2.6.2 outline policies that recognize and celebrate the unique history of the built form in these communities, ensuring that new development will be contextually sensitive to the neighbouring heritage assets.

The result is a set of Heritage Guidelines that will ensure future community development will be sympathetic and complimentary to the existing community fabric. It includes the introduction of new incentives for these communities to help protect heritage resources - including density transfers and modified building heights along main streets – and to ensure future development is in harmony with existing commercial heritage buildings.

We are pleased to support this LAP and the Heritage Guidelines outlined therein and look forward to assisting with their implementation for the Riley Communities.

Sincerely,

A handwritten signature in blue ink that reads 'Josh Traptow'.
