

Calgary

# Bearspaw South Feeder Main Break – Independent Review Update (Verbal)

C2024-0901 | 2024 July 30

## Recommendation

That Council receive this presentation for the Corporate Record.

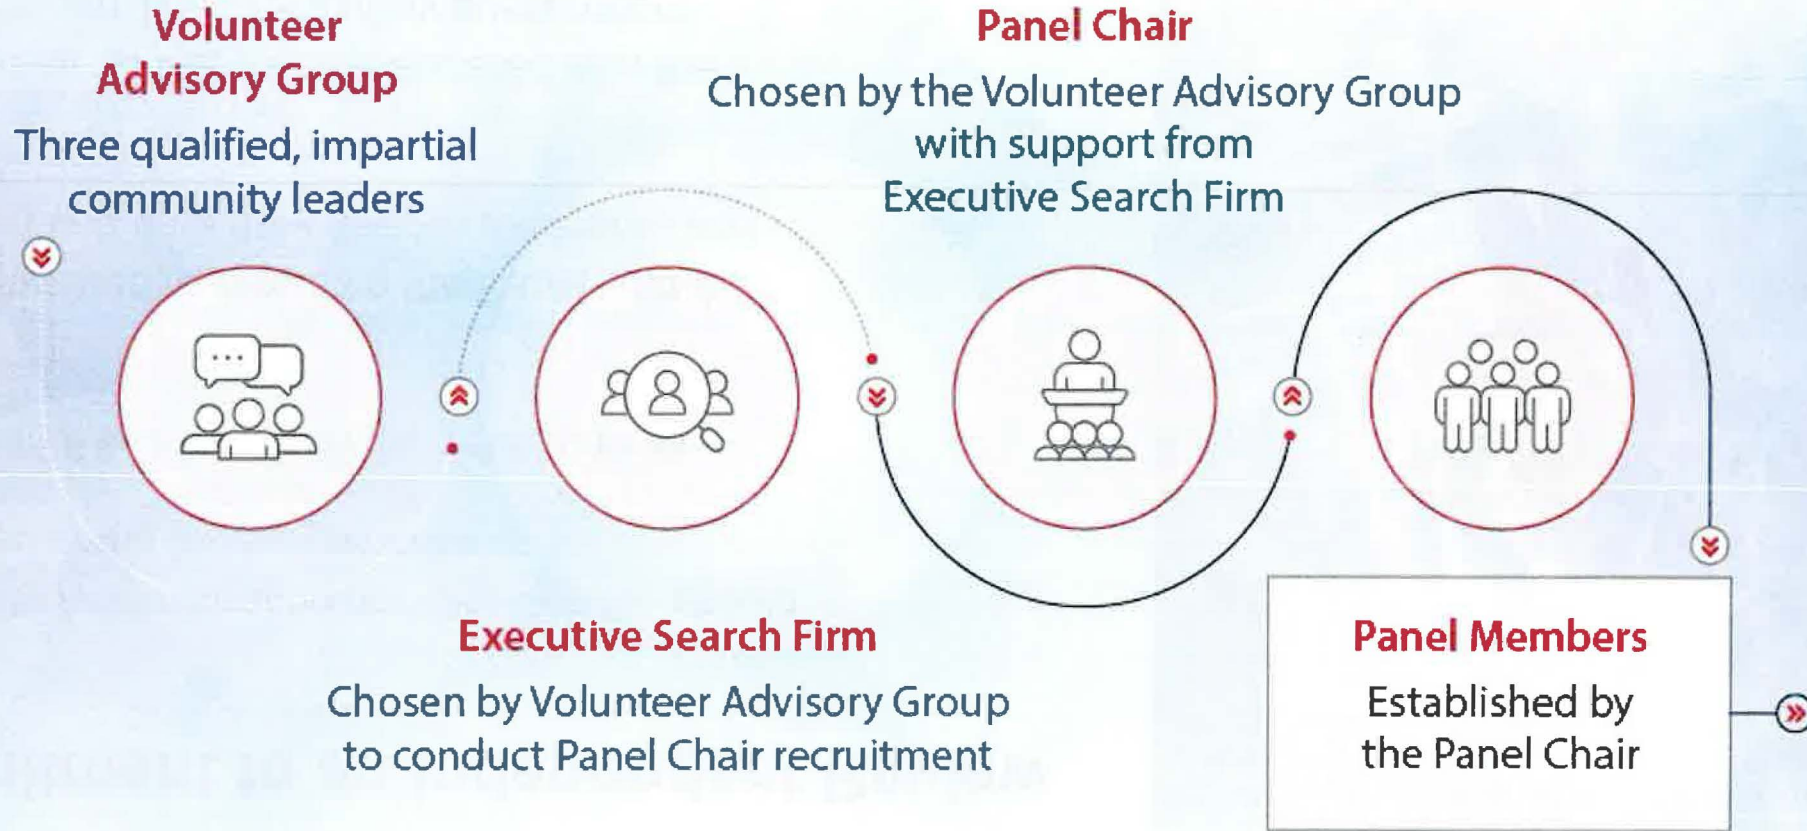

## City's Commitment to an Independent Review

1. Neither City Administration nor City Council should be involved in the Review process.
2. Review Panel has full discretion related to all decisions.
3. City is committed to providing the Panel with the information and data they need in a fulsome and timely way.
4. City will cover all the costs associated with the Review through The City's utility sustainment reserve.
