

**Land Use Amendment in Taradale (Ward 5) at 31 Tararidge Drive NE,
 LOC2024-0151**

RECOMMENDATION:

That Calgary Planning Commission recommend that Council:

Give three readings to the proposed bylaw for the redesignation of 0.04 hectares \pm (0.09 acres \pm) located at 31 Tararidge Drive NE (Plan 8310469, Block 3, Lot 102) from Residential – Low Density Mixed Housing (R-G) District to Direct Control (DC) District to accommodate a Child Care Service, with guidelines (Attachment 2).

HIGHLIGHTS

- This application proposes to redesignate the parcel to a Direct Control (DC) District to allow for the additional discretionary use of Child Care Service in addition to the uses already allowed (e.g. rowhouse and townhouse buildings, duplex and semi-detached dwellings, single-detached dwellings and secondary suites).
- The proposal allows for development that may be compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan (MDP)* and the *Saddle Ridge Area Structure Plan (ASP)*.
- What does this mean to Calgarians? The proposed DC District would allow for an additional use that is an essential service and a community amenity.
- Why does this matter? Child care services being integrated into communities leads to more convenient lives for Calgarians and supports positive social and economic outcomes.
- A development permit for a child care service facility has been submitted and is under review.
- There is no previous Council direction related to this proposal.

DISCUSSION

This application, in the northeast community of Taradale was submitted by SAAD Day Home on behalf of the landowners, Mobi Ahmad Ali and Nabiha Sadiq on 2024 June 3. A development permit (DP2024-03922) for a child care service for 33 children was also submitted on 2024 June 3 and is currently under review. As noted in the Applicant Submission (Attachment 3).

The approximately 0.03 hectare (0.09 acre) parcel is located at 31 Tararidge Drive NE. The site is currently developed with a single detached dwelling and a detached garage accessed from the rear laneway. The proposed DC District would allow for a child care service within the building as an additional discretionary use. The subject site is within walking distance of several community park spaces to the north and east. The site is well serviced by Calgary Transit with Route 303 (MAX Orange Brentwood/Saddleridge) and Route 23 (52 St E) located within 500 metres (an eight-minute walk) west of the subject site.

A detailed planning evaluation of the application, including location maps and site context is provided in the Background and Planning Evaluation (Attachment 1).

ENGAGEMENT AND COMMUNICATION

- Outreach was undertaken by the Applicant
- Public/interested parties were informed by Administration

Applicant-Led Outreach

As part of the review of the proposed land use amendment application, the applicant was encouraged to use the [Applicant Outreach Toolkit](#) to assess which level of outreach with the public/interested parties and respective community association was appropriate. In response, the applicant contacted their immediate neighbours and introduced their proposal. The applicant provided details included in the Applicant Outreach Summary (Attachment 4).

City-Led Outreach

In keeping with Administration's practices, this application was circulated to the public/interested parties, notice posted on-site and published [online](#). Notification letters were also sent to adjacent landowners.

No public comments were received at this time of writing this report.

No comments from the Taradale Community Association were received. Administration contacted the Community Association to follow up and no response was received.

Following Calgary Planning Commission, notifications for a Public Hearing of Council will be posted on-site and mailed to adjacent landowners. In addition, Commission's recommendation and the date of the Public Hearing will be advertised.

IMPLICATIONS

Social

The proposed land use would allow for a child care service to be located within a residential community at a scale that fits with the neighbourhood. Child care is essential to creating complete communities and accommodating the needs of parents and caregivers.

Environmental

This application does not include any specific actions that address the objectives of the *Calgary Climate Strategy – Pathways to 2050*. Opportunities to align future development on this site with applicable climate resilience strategies will be explored and encouraged through the development permit.

Economic

The proposed land use amendment would allow for a child care service within the residential community of Taradale. Child care is an essential service that allows parents and caregivers to more effectively participate in the labour force and provides employment opportunities for staff of the business.
