

Background and Previous Council Direction

Background

On 2023 September 16, Council approved *Home is Here – The City of Calgary’s Housing Strategy 2024-2030 (CD2023-0749)*, a comprehensive plan to increase housing supply to meet demand and increase housing affordability. Part of the Strategy directed Administration to bring forward citywide land use changes to provide a greater range of housing choice for Calgarians. The resulting report, *Calgary’s Housing Strategy 2024-2030 – Land Use Amendment Citywide, LOC2024-0017, and Land Use Bylaw Amendments (CPC2024-0213)*, otherwise known as Rezoning for Housing, was heard at the 2024 April 22 Public Hearing.

The 2024 April 22 Public Hearing for Rezoning for Housing was the most extensive Public Hearing in Calgary’s history. Over approximately three weeks, more than 700 speakers presented and over 6,000 written submissions were received. Following the Public Hearing, Council approved Administration’s recommendations, and added 12 additional recommendations. Council also approved some amendments to Bylaw 21P2024 to address parking concerns.

Previous Council Direction
