

# Applicant Outreach Summary

2024 August 16

## Community Outreach on Planning & Development Applicant-led Outreach Summary

**Please complete this form and include with your application submission.**

---

**Project name:** Killarney Multi-Family Development

Did you conduct community outreach on your application?  YES or  NO

If no, please provide your rationale for why you did not conduct outreach.

### Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

The new property owners spoke with about 3 of the immediate neighbors regarding the proposed development. This was conducted during the initial LOC application (April - May 2024).

### Affected Parties

Who did you connect with in your outreach program? List all groups you connected with. (Please do not include individual names)

Immediate neighbors of the subject site

## Community Outreach for Planning & Development Applicant-led Outreach Summary

### What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

Overall encouragement received - some concerns about parking were raised which we explained would not be an issue since the new dwelling units would have their own garages - this seemed to help.

### How did input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

We are determined to provide the best possible design in terms of mitigating parking / traffic concerns as well as resident privacy.

### How did you close the loop ?

Provide a summary of how you shared outreach outcomes and final project decisions with those who participated in your outreach. (Please include any reports or supplementary materials as attachments)

The schematic site plan uploaded with our application was shown as a reference to everyone contacted which helped provide a clearer understanding of the proposed development.
