Mar 26, 2024 , park (in front of 254 saratoga close NE), 4 participants)

I explained them that I want to change the house into child care facility so that we can help the community as it will be convenient for people around the place.

I have heard positive views from them as they were all happy to hear about that.

Affected Parties

Who did you connect with in your outreach program? List all groups you connected with. (Please do not include individual names)

I have connected with some of the people already living in that area .

Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

I haven't heard any issues from any one, as they were happy about it. Also they suggested me that I can also use site parking for pick/drop off because there is park in the front and this place have lots of on-site parking.

How did input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

I didn't heard about any issues from them. For parking i responded that I have requested 2 parking stalls in the back if that is allowed is great otherwise we can use on-site parking.

How did you close the loop ?

Provide a summary of how you shared outreach outcomes and final project decisions with those who participated in your outreach. (Please include any reports or supplementary materials as attachments)

We all had meeting of at least 45 mins in which I explained about how I wanted this place to convert into a daycare facility and I want at least 20 children .

Those people really appreciated that, they did not had any issues with it ,some of them found it convenient for themselves as it is close to their house.
