Bearspaw South Feeder Main Incident Review Update (Verbal)

CITY OF CALGARY
RECEIVED
IN COUNCIL CHAMBER

OCT 29 2024

ITEM: 9.3.4 C2024-1213
Distrib - Presentation
CITY CLERK'S DEPARTMENT

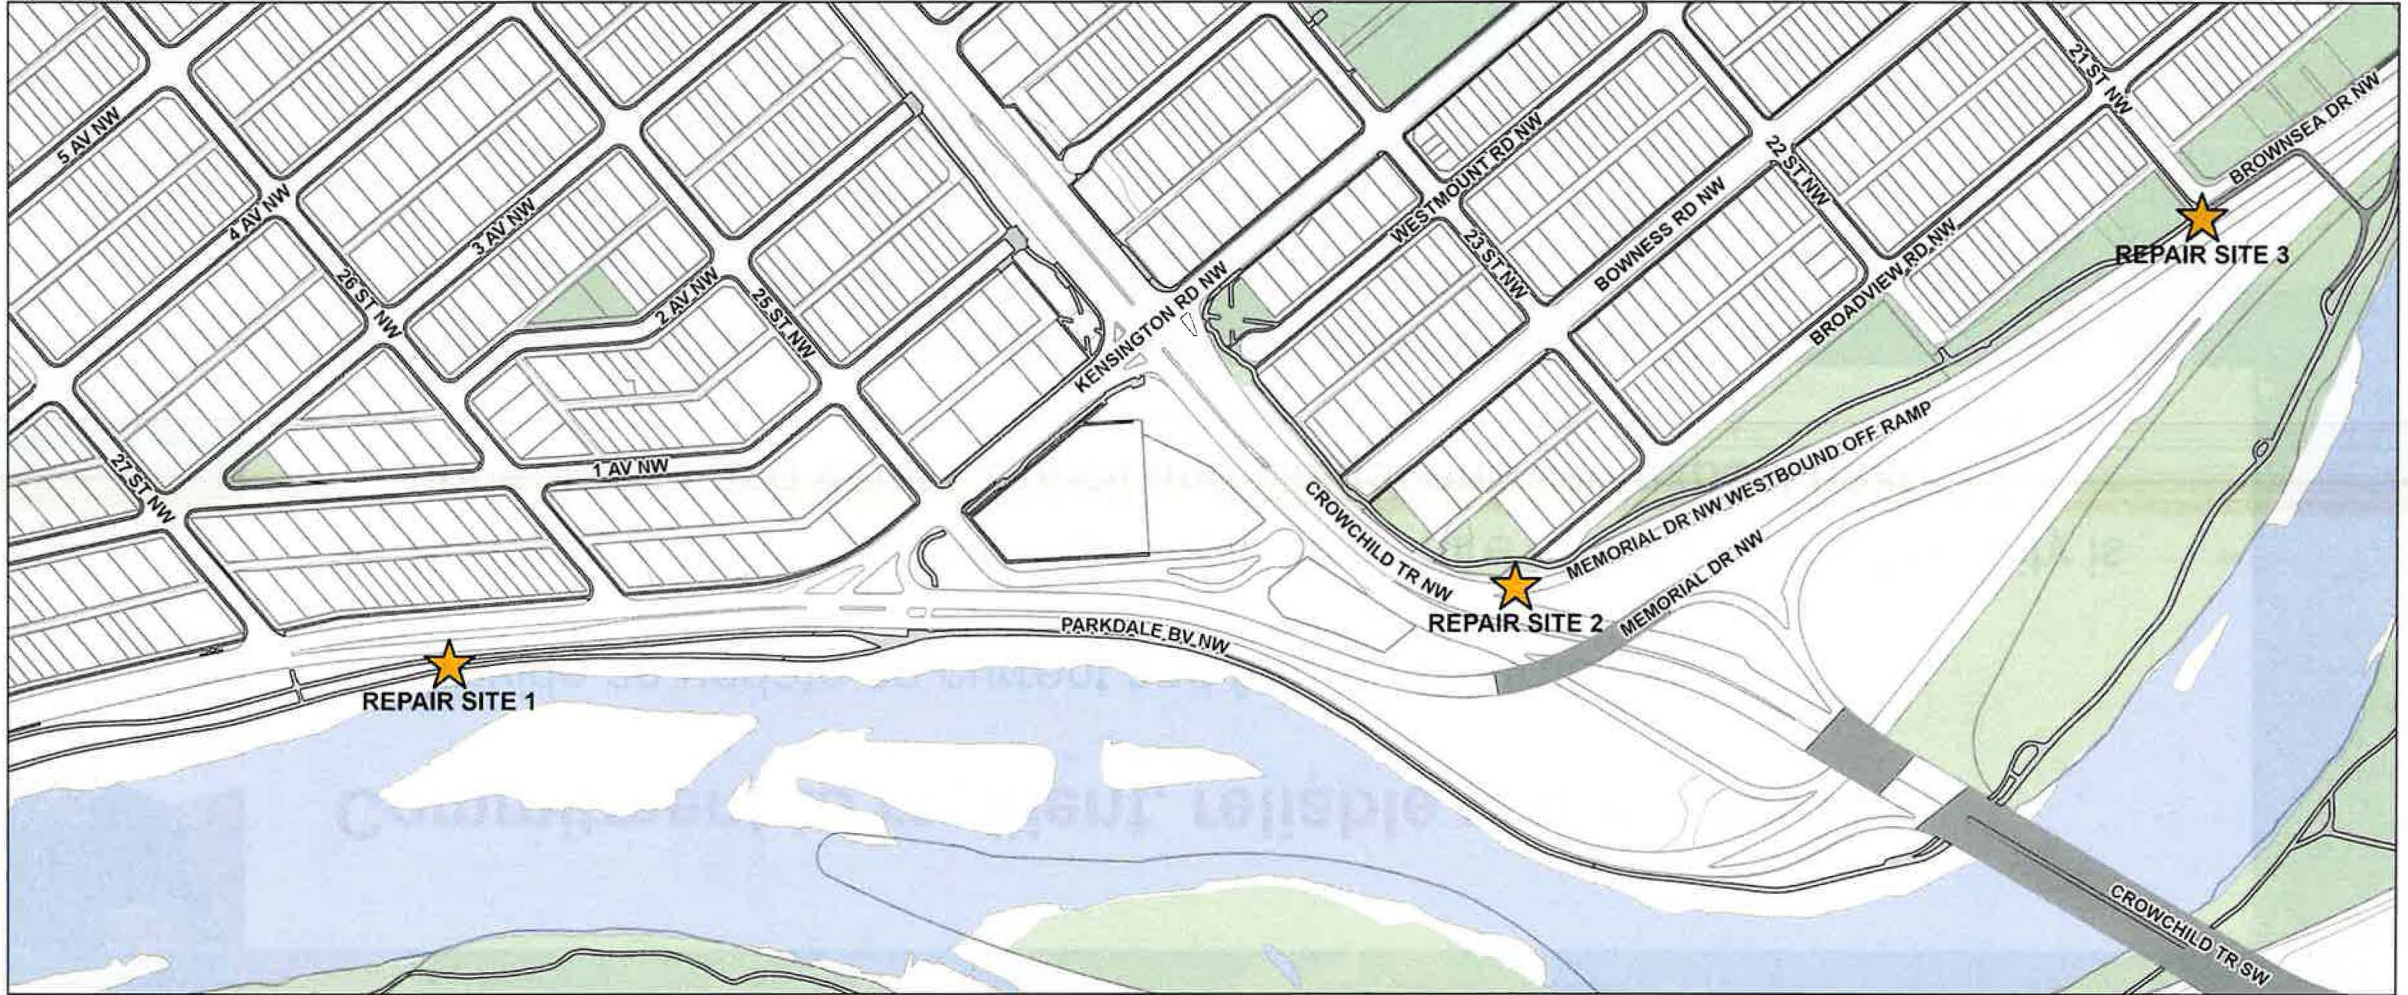

Recommendation:

That Council receive this report for the Corporate Record.

Commitment to resilient, reliable water service

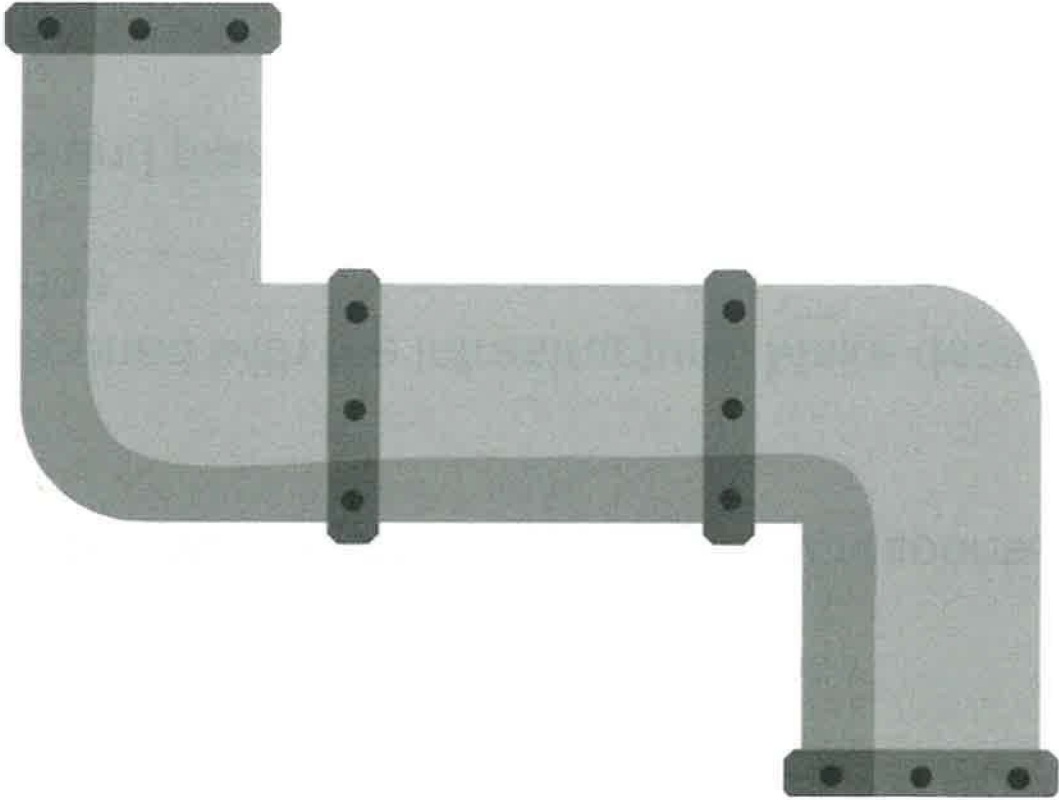

1. Provide an update on current and future construction.
2. Post-Bearspaw incident, share holistic picture of the actions The City is undertaking and what Council and Calgarians can expect next.

Future Construction planned

North Calgary Servicing Project

South Calgary Servicing Project

3 main goals in response to the break:

1. Review and improve our internal incident emergency response processes and protocols out of this incident.
2. Investigate what happened with the infrastructure. Make decisions on mid-long-term infrastructure resilience.
3. Improvement actions and plans on both #1 and #2.

Note - This excludes the external Bearspaw reviews

Bearspaw Feedermain – Internal Reviews and Touchpoints:

Note - This excludes the external Bearspaw reviews

Recommendation:

That Council receive this report for the Corporate Record.
