Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">Administration is correct that, "The site is within 200 metres of Macleod Trail S which is identified as an Urban Main Street in the MDP. It is also within 200 metres of primary transit service and within 600 metres of an existing LRT platform. As such, the site meets the location criteria and is therefore considered appropriate for the proposed H-GO District" (Attachment 1, page 4).
