To Whom It May Concern,

I am seeking a land-use amendment from Direct Control to allow for a legal secondary suite at my address of 15192 Prestwick Boulevard SE, Calgary, Alberta, T2Z 3W1. I do so in recognition of the current housing crises and a housing market that makes it virtually impossible for young families to be able to afford buying their own home and a low vacancy rental market. My basement is vacant and I would like to develop it into a legal secondary suite to help to reduce the shortage of available housing.

My intention is to complete this legally so that the unit meets all city requirements for a secondary suite that is suitable and safe for tenants of the suite.

I thank you for your consideration and look forward to an approval of my application.

Kind regards,

Corrine L Nichols
