That Council give three readings to **Proposed Bylaw 7D2025** for the redesignation of 0.06 hectares \pm (0.15 acres \pm) located at 4307 – 17 Avenue SW (Plan 2002GS, Block 22, Lot 6) from Residential – Grade-Oriented Infill (R-CG) District to Housing – Grade Oriented (H-GO) District.

HIGHLIGHTS

- This application seeks to redesignate the subject parcel to allow for grade-oriented development in a range of housing forms at a scale compatible with low density residential districts.
- The proposal represents an appropriate density increase of a residential site, allows for development that may be compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan* (MDP) and the *Westbrook Communities Local Area Plan* (LAP).
- What does this mean to Calgarians? The proposed Housing – Grade Oriented (H-GO) District will allow for greater housing choice within the community and a more efficient use of existing infrastructure and nearby amenities.
- Why does this matter? The proposed H-GO District would allow for more housing options that may better accommodate the evolving needs of different age groups, lifestyles and demographics.
- No development permit has been submitted at this time.
- There is no previous Council direction related to this proposal.
