

**Land Use Amendment in Killarney-Glengarry (Ward 8) at 2608 – 31 Street SW,
 LOC2024-0247**

RECOMMENDATION:

That Calgary Planning Commission recommend that Council:

Give three readings to the proposed bylaw for the redesignation of 0.06 hectares ± (0.14 acres ±) located at 2608 – 31 Street SW (Plan 1855W, Block 2B, Lots 23 and 24) from Direct Control (DC) District to Residential – Grade-Oriented Infill (R-CG) District.

HIGHLIGHTS

- This application seeks to redesignate the subject site to allow for grade-oriented development in a range of housing forms at a scale consistent with low density residential districts.
- The proposal represents an appropriate density increase of a residential site, allows for development that is compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan* (MDP) and the *Westbrook Communities Local Area Plan* (LAP).
- What does this mean to Calgarians? The proposed land use amendment would allow for greater housing choices within the community and more efficient use of existing infrastructure and amenities in the community.
- Why does this matter? The proposed Residential – Grade-Oriented Infill (R-CG) District would allow for more housing options that may better accommodate the evolving needs of different age groups, lifestyles and demographics.
- No development permit has been submitted at this time.
- There is no previous Council direction related to this proposal.

DISCUSSION

This land use amendment in the southeast community of Killarney-Glengarry was submitted on 2024 October 3 by the landowner, Gregov Properties Ltd. No development permit application has been submitted at this time. As noted in the Applicant Submission (Attachment 2), their intent is to legalize a secondary suite on the property.

The existing Direct Control (DC) District is based on the R-2 Residential – Low Density District of the previous Land Use Bylaw 2P80, which does not include secondary suite as a listed use. The proposed R-G District would provide for the secondary suite use and support the applicant's intention to legalize their secondary suite.

The mid-block parcel is approximately 0.06 hectares (0.14 acres) in size and currently developed with a single detached dwelling with lane access. The proposed R-G District would allow for secondary suites, in addition to rowhouses, cottage housing, semi-detached, single detached and duplex dwellings.

A detailed planning evaluation of the application, including location maps and site context, is provided in the Background and Planning Evaluation (Attachment 1).

LOC2024-0247**

ENGAGEMENT AND COMMUNICATION

- Outreach was undertaken by the Applicant
- Public/interested parties were informed by Administration

Applicant-Led Outreach

As part of the review of the proposed land use amendment application, the applicant was encouraged to use the [Applicant Outreach Toolkit](#) to assess which level of outreach with the public/interested parties and respective community association was appropriate. In response, the applicant placed signage on their front lawn and distributed flyers directly to neighbours within a 60 metre radius of the property to highlight the proposal. The Applicant Outreach Summary can be found in Attachment 3.

City-Led Outreach

In keeping with Administration's practices, this application was circulated to the public/interested parties, notice posted on-site and published [online](#). Notification letters were also sent to adjacent landowners.

Administration did not receive any public comments.

No comments from the Killarney-Glengarry Community Association (CA) were received. Administration contacted the CA to follow up and no response was received.

Administration considered the relevant planning issues specific to the application and has determined the proposal to be appropriate. The building and site design, number of units, and on-site parking will be reviewed and determined at the development permit stage.

Following Calgary Planning Commission, notifications for a Public Hearing of Council will be posted on-site and mailed to adjacent landowners. In addition, Commission's recommendation and the date of the Public Hearing will be advertised.

IMPLICATIONS

Social

The development of this site enables a more efficient use of land and infrastructure and allows for a diversity of grade-oriented housing that may better accommodate the needs of different age groups, lifestyles and demographics.

Environmental

This application does not include any specific actions that address the objectives of the *Calgary Climate Strategy – Pathways to 2050*. Further opportunities to align future development on this site with applicable climate strategies will be explored and encouraged at the subsequent development approval stages.

Economic

The proposed land use would allow for a more efficient use of land, existing infrastructure and services, and provide more compact housing in the community.
