

A close-up shot of a hand holding a black and yellow tape measure. The name 'KAYLA' is printed in a stylized, multi-colored font on the black plastic casing of the tape measure. The background is blurred, showing what appears to be a car's interior with a gear shift and a hand in a black and white patterned sleeve.

KAYLA

HI, I'M KAYLA, THE HOMEOWNER AND ARCHITECT

A photograph of a modern building with vertical wood siding. The building features three windows: a single narrow vertical window on the left, a double window in the center, and another double window on the right. A large evergreen tree is on the right side of the frame, partially obscuring the building. The sky is clear blue.
