I am writing this email in regards to the land use amendment LOC2024-0044 - 72 SKYVIEW SHORES MR NE

I am a resident of 80 SKYVIEW SHORES MANOR NE, contact number [REDACTED]

I am really concerned about this change due to huge pile of traffic we have already in this area. Above mentioned address is located very close to the intersection of Skyview shores manor and Skyview Ranch Drive.

Currently during the busy morning hours the mentioned intersection and the near by round about having so much pedestrian traffic , school bus pick up and city transit, which creates a huge pile of traffic just stuck during the school year morning hours. This traffic line grows beyond my house - 80 skyview shores manor ne.

If there is a new day care opens up at the address mentioned, traffic will increase and block all the intersection due to the cars which comes to drop off the kids and residents wont be able to even enter the street while leaving for work in the morning.

I would invite city to come and see the morning chaos in this area during the busy morning school hours.

City has already approved a day care just few feet away from this address on the same street of Skyview Shores Manor NE
My request is this day care has to move to any commercial buildings near by instead of approving this facility at the above mentioned address.

Please do not approve this land use amendment
